

4-5 April 2019

Paris Forum on NBS

**Addressing major societal challenges:
climate change adaptation-mitigation,
risk management and resilience**

DIALOGUE 1

**Innovation Dialogue
Steering for Risk
Management and
Resilience**

SESSION 1.1

**Combining NBS as an
integrated approach
for risk management
and resilience**

Paris Forum on Nature-Based Solutions

1st Part

**inspiring attendees for participation
short presentations by:**

-  **Henk Nieboer (Ecoshape)**
-  **Tom Armour (Arup)**
-  **Daisy Hessenberger (IUCN)**

Paris Forum on Nature-Based Solutions

2nd Part

interaction process: Focus Groups & Post-it notes

stages:

-  **introduction**
-  **1st dialogue phase**
-  **2nd dialogue phase**
-  **conclusion**

Paris Forum on Nature-Based Solutions

Tables & Questions

Table	Moderator	Questions	
		<i>1st dialogue phase</i>	<i>2nd dialogue phase</i>
1	Henk Nieboer	What is the greatest natural hazard potential in Europe and what are the related existing policies (EU to regional level) and tools for risk mitigation?	Which are the most prominent NBS approaches/practices (or combinations of them) for risk management and resilience?

Paris Forum on Nature-Based Solutions

Tables & Questions

Table	Moderator	Questions	
		<i>1st dialogue phase</i>	<i>2nd dialogue phase</i>
2	Tom Armour	Who are the stakeholders involved and what are the decision making mechanisms in defining the strategies for risk management?	What would be alternative decision making mechanisms to facilitate NBS uptake in risk management & resilience?

Paris Forum on Nature-Based Solutions

Tables & Questions

Table	Moderator	Questions	
		<i>1st dialogue phase</i>	<i>2nd dialogue phase</i>
3	Daisy Hessenberger	What is the current status of involving NBS (or ecosystem-based strategies) in the EU and regional policy context?	How to facilitate uptake of NBS in the strategies for risk management and resilience at diverse spatial levels? <ul style="list-style-type: none">○ Identification of barriers (knowledge, financing, policy, governance)○ Policy proposals

Paris Forum on Nature-Based Solutions

Dialogue Phases

steps repeating for each phase:

-  **question**
-  **initial thoughts (post-it)**
-  **discussion (short responses)**
-  **final thoughts (post-it)**
